Your Goals as a Member

\_\_\_\_\_  
\_\_\_\_\_

Active participation of our membership contributes to the success of Neighborhood Watch. Please check the areas in which you are interested in volunteering:

Block Captain       Patrolling       Support       Volunteering for events

I have read and understand the Houston El Norte Neighborhood Watch policies and procedures. I will attend the required meetings or make alternative arrangements and communicate with my group regularly. I will immediately provide a change in contact information as soon as it occurs. I will give feedback on crime and safety concerns in my neighborhood to help Neighborhood Watch plan its community outreach efforts in my neighborhood. I understand I am not being asked to watch my neighbors, but that I am agreeing to watch out for them, their property, and the local community spaces we all enjoy.

# NEIGHBORHOOD WATCH POLICIES AND PROCEDURES

## CRIME PREVENTION

1. Practicing crime safety measures that eliminate opportunities for criminals and helping others avoid becoming victims of crime in their area.
2. Finding ways in which to participate responsibly with local law enforcement agencies in the apprehension of offenders and in crime prevention and safety techniques.
3. Being willing to appear as a witness and follow through in other ways to ensure that all violations are properly adjudicated.

## ENCOURAGE CITIZEN INVOLVEMENT

1. Working for a better and safer neighborhood in protecting and honoring the rights of others.
2. Be a good neighbor.
3. As a member we require you attend the meetings that are held. Dates and times are subject to change and changes will be announced via email and Facebook. If you cannot physically attend a meeting, we will accept a written statement explaining your Neighborhood Watch participation and what information you think would be useful for your watch group.
4. We require you to attend at least 4 of your neighborhood's watch group meetings a year, which will be organized and facilitated by your group's Coordinator. We use the feedback from those meetings to help focus our community outreach efforts needed in your neighborhood
5. We expect an update to your contact information as soon as it changes and for you to give us 30 days written notice if you no longer want to participate. Notice should be mailed or delivered to: CH&P Management, Attn: Neighborhood Watch, 1712 N. Frazier St, Suite 216 Conroe, Texas 77301 or by email to [coloniascommunitywatch@gmail.com](mailto:coloniascommunitywatch@gmail.com).

## GUIDELINES

1. MAKE YOUR NEIGHBORHOOD WATCH COORDINATOR AWARE OF YOUR ACTIVITIES IN YOUR PARTICULAR GROUP
2. If you witness a crime or suspicious activity contact the police first than notify your coordinator
3. Share information you receive from the police department with your neighbors even if they are not members of Neighborhood Watch. Neighbors being aware of what is going on in your neighborhood can also help prevent or deter crime.

4. Insure what you are doing is legal and does not violate the rights of others, state or federal laws, city ordinances, or could be a conflict with any of your local law enforcement agencies.

## **SAFETY**

1. Never check or inspect a suspected crime scene. Always wait for the arrival of an officer and follow his/her instructions.
2. Never confront or accuse a person suspected of a criminal offense. Wait for the arrival of an officer. The suspect may be kept under surveillance if, in doing so, you do not put yourself or others in any type of jeopardy or peril.
3. No alcoholic beverages may be consumed within a reasonable time prior to Neighborhood Watch functions or activities.
4. The safety of the members of the Neighborhood Watch Group is of paramount importance.

## **OPERATIONS**

1. Guns are definitely not allowed to be carried by watch members during their participation in Neighborhood Watch business. This also includes knives, clubs, nunchaku sticks, or any item defined by state or federal law as weapons.
2. Do not attempt to enforce any laws in particular traffic laws. If a flagrant TRAFFIC violation is witnessed, you should get the year, make, model and license number, if possible, of the suspected vehicle involved, also a detailed description of the violator and report all information obtained to the police department.
3. If you are confronted by a citizen as to any Neighborhood Watch activities, do identify yourself as a member of the Neighborhood Watch. If you should be confronted by a suspect, immediately leave the area. If in your vehicle, do not get out. Contact the Liberty County Sheriff Police Department and report the incident. Do not become involved in any type of altercation or argument with a suspect.
4. Never accuse any person of a criminal offense or criminal activity. Relay your suspicions to the Springfield Police Department.

## **COMMUNICATIONS**

1. WHEN CALLING THE POLICE DEPARTMENT:
2. Identify yourself as a member of Neighborhood Watch.
3. Explain the incident and identify any suspects involved.
4. Stay on the line until the dispatcher has all information needed.
5. If you are reporting an accident, fire, or a suspected crime, be sure to give adequate information to the police department as to the street by name and house number, if possible. If a certain type of emergency equipment is needed,

this should be specified. Make sure that the receiver understands the situation and which equipment is needed at the scene. The call taker will ask appropriate questions to obtain the information they need. Calls are prioritized. When possible, reports will be taken over the phone.

## **REMEMBER**

1. You are a private citizen acting in support of your community in assisting a local law enforcement agency.
2. Under no circumstances can any police agency or CH&P MANAGEMENT be responsible for your actions on the street.
3. When you are in doubt (in any type of situation or action on the streets) and don't know exactly what to do, contact the Liberty County Sheriff Police Department.
4. Never trespass on any private property unless you are invited by the owner or person in charge.
5. You are not provided any type of insurance that would cover your liability or injury while engaged in Neighborhood Watch activities.
